## WHY EXHIBIT:

- Have Face-to-Face meetings with qualified buyers where you can showcase your products and services.
- Find new prospects who are just entering the market.
- Choose between indoor or outdoor exhibit space.

"There is so much energy at this event, and each year the energy level rises! The content is priceless and the expo is amazing. Astonishing, actually! As a gl camper and as an executive director of industry associations, I'm definitely biased, but if I weren't either of those I'd still be hoping many more in the outdoor hospitality sector would embrace glamping!"

**Mary Arlington, Executive Director, (CCLOA & SDCOA)**
