Arapahoe County Fairgrounds
Aurora, Colorado

If you provide products or services to the glamping sector, this is a must exhibit event!

The Glamping Show USA looks forward to welcoming everyone back to Aurora, Colorado, in October 2021.

Despite the pandemic, the glamping sector saw impressive growth in 2020. By pivoting from an in-person conference and exhibition to a virtual event, The Glamping Show USA was able to attract 1,923 registrants from 49 states, 2 U.S. territories and 57 countries.

For 2021, The Glamping Show USA will be a hybrid event, combining the best of the in-person trade show experience with the extended reach of a virtual event.

Exhibitors at our Colorado event will also have a fully functional virtual booth space complete with live chat, A Zoom room, an e-commerce option, multiple videos and more...**at no additional charge**. This benefit expands your marketing exposure to those glamping operators who are not able to visit the show in Colorado.

- A targeted, Glamping-specific audience
- No price increase from 2019 show
- Indoor and Outdoor exhibition space available
